Dear Tate,

Thank you for your further letter regarding the dates for the meeting next year. Due to the confusion we have now run up against a snag, which is that precisely that week-end (14. to 16. September) Worcester College already have a conference being held there.

I have now written to the Provost of Oriel which is my 'second' college so to speak, and as soon as I have a reply I will let you know.

Yours sincerely,

J. TRUETA.
