WEISS BEZ KÖLN
Hauptstr. 105.

17. VIII. 62.

Dear Brian: Very pleased to
take the chair for Arthur's paper
though I don't know a lot
about Espin. At least I shall
know more at the end than
at the beginning.

We are having a pleasant
time in the Eifel, Rheinland, etc.
and weather is at least reasonable
some of the time.

Looking forward to seeing
you at Oxford.
Geoff.
