Dear Dr. Keightley,

Thank you for your letter of the 26th. October with information concerning the meeting of the Anglo Catalan Society at Westfield College on the 14th. and 15th. of November; I enclose the completed slip which was attached to the information sheet.

I am in my last term at Sevenoaks School International Centre studying for the Cambridge entrance examinations to read Spanish and French; I have lived in Barcelona for the past nine years.

Dr. Batista i Roca informed me of the Society, and I would be very interested in

becoming a member; I would be very grateful
if you could send me more information on
the Society.

Yours sincerely,

Felix Ordeig
