Dear Joe,

Thanks for yours of 16th & apologies
for delay. Has Haroldes replied yet?
If he says "no", Brian's suggestion of
John Harvey sounds all right.

Yes, I liked the minutes. Congra-
tulations!

I agree conference dates aren't of
the best, but they have worked be-
fore. Hope we get a decent crowd.
Would you draft a circular for
people to say if they're attending?
If you let me have it, we here can
add in relevant local details, &
then it can be sent off. So far,

Terry (of Belfast) and Trueta both
say they'll give talks. I shall try
someone else as well.

I am looking forward to seeing you at
Oxford where I'll tell you about my
book. It's on the epic.

GWR has just become father of a
daughter.

As ever,

James Pierce
