Dear Ron,

I hope that you are having an enjoyable summer and have managed to reach Mexico or Madrid.

A couple of months ago I wrote to ask if you would be willing to take over the secretaryship of the Anglo Catalan Society from Alan Deyernond who is giving it up because of extra duties in Westfield. I don't know if you have been away or if you didn't receive my letter but I should be very glad to hear from you and particularly so if you would agree to take on the job. I don't think that it would demand an enormous amount of work, and

Alan has reduced it to something like smoothness and order; but it is clearly up to someone of our generation among the members to take on the job as Brian, Geoff, Arthur, and Frank & have all gone through it in the past; and you seem to be the man obviously indicated for the post. I do hope that you will agree to do it; but whatever you decide, will you please let me know soon.

All best wishes,

Derek.
