Dear Alan,

Many thanks for the Anglo-Catalan circulars regarding the Birmingham Conference. I am afraid that we are going to have to give it a miss this year, as we shall not be in England just then: I had tried to book a holiday in Crete at dates which would allow us to attend, but we have had to change the dates because of problems over hotel accommodation. Sorry about this!

Best wishes to everyone, and please convey our apologies and good wishes to the Society at the AGM.

Yours ever,

Robert Pring-Mill
