Dear Sir or Madam,

There are 11 Teaching Groups at our school, which are following a European Studies' course. As you can probably imagine these students are expected to do Project Work on various aspects of Europe and are often at a loss as to where to find suitable material. I am therefore writing on their behalf, inquiring whether your organisation could perhaps send us several copies of any material on the following topics: The Growth, Organisation & Future of the E.E.C.

- : Transport and Communications.
- : Trade and Industry.
- : Agriculture.
- : Other Political, Military & Economic Alliances.
- : Development Areas.
- : Individual Case Studies .
- : Resources & Energy.
- : Climate, Vegetation, Rivers and Mountains.
- : Population.
- : Culture, Social Life, Leisure.
- : Sport.
- Food and Cooking.
- : History . . .

Any material, whether in map, poster, graph, diagram, leaflet or booklet form, would be of great assistance to the students.

Please would you also let me know if you loan 16mm films, slides or filmstrips to educational establishments;

In anticipation of your help to our students and their work, I am

Yours faithfully,

T. Bailey (Miss)
