Dear Mr Wheeler,

Enclosed please find sub for this year which I realise I haven't yet paid.

I have received notice of the next Annual Conference in November but regret that I shall be unable to attend as I am temporarily in France (until May 82) as an assistante.

My main reason for writing is to inform you that, sadly, my uncle (Mr R. BORI) died in July of this year of cancer. I don't know whether you were aware

of this or not. He was cremated on  
17<sup>th</sup> July.

I hope this year's meeting goes  
well.

Yours sincerely

Rose Bell
