Dear Paul,

Many thanks for your letters. "Yes" to all your suggestions : Friday or Saturday would suit me equally well ; I've no objection to it being 'public' - rather the reverse (!) ; and herewith something in the nature of an abstract.

Do let me know if you want me to ask Joan Gili to bring his screen & projector. They are very portable, and we'll be coming over by car. (Brigitte may be able to get over on the Saturday, & stay for the Jocs Florals ; I'll be coming with J.G. on the Friday afternoon.) Requirements aren't inordinate : a wall-plug (or rather socket - we'd bring an assortment of plugs !) & a range of about twenty feet from projector (on a small table) to screen (on another table).

I'll be staying with Jack Street, so that's one less to accommodate in a college !

A reveure,
