NOTTINGHAM.

Dear Mr. Russell-Gabbett,

Thank you for your letter of
25th of June.

Membership. Yes, it would be possible for foreign visitors to join our Association while they are in our hostels, although I think they would prefer to join the membership of their own countries.

Age-limit. If the visitors are under 30 there would be no difficulty at all. In some hostels there is no age-limit for summer visitors. The Wardens would tell you about this, as it varies in the different places.

Yours sincerely,

David G. Oliver
Enquiry Secretary.
