Dear Jordi,

I am now preparing a final draft of the programme for the Conference which I shall personally send to all those outside the British Isles. I shall despatch the rest to you for distribution together with the minutes of last year's meeting. These minutes should include an agenda which amongst other things will be concerned with the approval of the constitution and the regulations about the Catalan scholarship. There should also be a note about elections. In this connection, the constitution proposes that there should be 4 committee members. Mrs. Helen Grant intends to resign and I am proposing Arthur Terry as the new President. In the letter you can call for nominations in the usual way. I shall also try to get a draft constitution sent to you for distribution at the same time, *as well as the A/C schol.*

Please acknowledge on receipt that you will be able to to this, for time is getting very short indeed. I do hope your health is better, *as well*

Yours,

P.S. R.Pring-Mill of 51 Hamilton Road, Oxford did not get any circulars to date. Please make sure he is on the list. Mr. I.G.Walker cannot attend.
