Prof. R. B. Tate,
Spanish Dept.,
The University,
Nottingham.

Dear Prof. Tate,

I do thank you for your letter (copy) addressed to Miss Truman. At the same time I receive a letter from that lady - of which I believe you have been sent a copy - telling me about her enquiries at the Embassy and Chamber of Commerce.

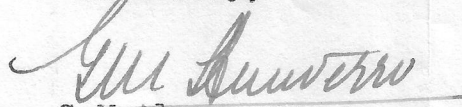

It all amounts that they do not know what it is all about in Spain. Either that, or something else. Miss Truman should know about Wales, its language and implications.

Any way, it appears we have started something. Shall we keep quiet?. Have the Castillians the rights of translations for all the banned languages in Iberia?.

May^h I should ask them for Andorra?.

What do you advice?

Sincerely,

G. M. Alcoverro.
