Dear Brian,

Many thanks for your letter of the 18th May, and please forgive me for having been so long in answering (my mother-in-law died on the 19th, which involved us in a ten-day trip to Germany, & we are still in the throes of catching up on postponed teaching).

No, I never got a slip about the Anglo-Catalan conference, & had merely gathered from Joan Gili that it was to take place immediately after the Hispanic do. Could I have the dates & details some time? Yes, indeed I do want to attend it. How are you off for papers? I wasn't clear from the end of your letter ("we have about 6 papers so far. Can you make it?") whether you were wanting one from me, or just asking if I could come. I am not terribly anxious to do one, but if you wanted one from Oxford, I could easily produce one following up an aspect of my recent book on Lull - I have all the material ready.

Yours ever,

Robert.
