Dear Joe,

Thanks for your letter and the draft of the A-C circular. Geoffrey and I ammended it to include other material we thought would help in the initial round-up. They have now all been sent out. Llubera, whom we phoned, has fixed a jerez at which we shall be guests of QUB and the VC will be present. Llubera and Gili have agreed to speak and we shall be glad of two others to fill the quota of talks. Your next circular will need fewer details as you will see from ours. Geoffrey will let you have it.

My book for Dámaso goes on as does the Fest-schrift, for which about half the papers are now in, some fo them very good.*

As ever.
