11th October, 1954

Dear Geoffrey,

I'm sorry not to have written before to let you have the list of people from whom you might reasonably expect to receive subscriptions to the Anglo-Catalan Society. The first week has been a very busy one - i he tingut una bona feinada!

The list is as follows (there is no point in my putting down those who figure in the list sent out by Batista - those who were invited to the dinner):

Dorothy Atkinson, Birmingham
J.A.Cremona, Westfield College, Hamstead, N.W.3.
Joan Hernández Roig, 134, Fellows Road, N.W.3.
Prof. N.B.Jopson, St. John's College, Cambridge
Amadeo Solé-Leris, 29, Boundary Road, N.W.8.
Dr. Lewis Thorpe, University, Nottingham
Dr. J.E.Varey, Westfield College

That doesn't seem to be very many, but I can't find any more.

Would you please tell your Prof. that I am at this moment seeing to the job of typing out the minutes of the meeting held last week, and that they will go to the duplicators tomorrow. Copies will be sent to everyone interested, and of course one to Woodward and Gifford with a letter incorporating the suggestions put forward at the dinner. I shall be writing to the Prof. in a day or two to arrange a week-end when we might get together in Sheffield - probably towards the end of this month or the beginning of the next.

Res més per ara; cuida't dels diners!

Sincerely,

P.S. On second thoughts I'll telephone Prof. tomorrow (i.e. 21st Oct.).
