Dear Alan,

Many thanks for your letter. I've applied for a grant for a sherry party from the Faculty, and though I've not yet received a written reply, it has been indicated to me that we shall get one. So I think you can take it that there will be a sherry party which can be described as being provided by the Faculty for the Society.

I enclose the title and summary of my paper : now all that remains is to write it. <sup>Reception</sup>

Let me know when you want us to meet about the Homenatge. I shall be here until 24 July ; then 3 weeks in Blackpool (0253-43627); then 3 more back here. After that I'm not sure.

All best wishes,

*Serek*

*Before July 24?*
