My dear Mr. Cremona:

I received with very great pleasure and I wish to thank you for your report of the Third Conference of the Anglo-Catalan Society which I have just read with much interest. It is good of you to send it to me for I have long been interested in the history and the institutions of Catalonia. I wish that it might be possible for me sometime to attend a meeting of your Society when I am in England.

With very best wishes, I am
