Dear Ron,

Thanks for your letter about the Anglo-Catalan Conference. I'm afraid it just won't be possible for me to get up a paper this year. I'd really like to oblige, but I'm in the middle of writing my first-lecture course for East Anglia.

Rumour has it that you're bound for Australasia afore long. Are you still giving classes in Sheffield? If you see Alan, Frank, etc., please give them best wishes.

Un abraç,

Jimi Casey
