Dear David,

I've recently been contacted by a friend of mine from the architecture department at Leeds poly. It seems that they've got some money from the Erasmus scheme of the EEC and are eager to establish links with a university/poly department in Catalunya. He's asked me to enquire whether the A-C. society has any connexion in this area.

The only person I can think of is Mackay but I'm not so sure he has anything to do with the university (or higher education) set-up there. I wonder if anyone - or any contact - springs to mind?

I hope you're keeping well and have recovered from the trauma of the conference!

All the best,

Dorothy
