Dear Professor Tate:

I am indeed sorry not to have answered your kind letter of February 26 earlier. I am very thankful to you for the change of the dates of meeting of the Catalan group. It will give me a distinct pleasure to read my paper on Valencian lexicography to a more familiar audience. I shall ask you to schedule me for September 12 evening, as you suggested, since I have not been able to find out the exact hour of our chartered flight's departure on September 13. (This was the main reason why the letter delayed).

Asking for forgiveness and looking forward to meeting you  
in Oxford,

Yours sincerely,

J. Gulroy
